Sahand Hajizadeh

sahand-design.webflow.io

San Francisco, CA

Sahandhajizadeh@gmail.com

Product Designer with 10+ years of experience designing mobile and web products used by millions. Known for leading major app redesigns, building design systems, and crafting intuitive, high-converting user experiences. Strong balance of design craft, product strategy, and cross-functional collaboration.

Experience

Golf Ranch

Web Designer

Dec 2024 - Present
(1 year)

- Designed and launched golfranch.com, a lead-generation platform for a fast-growing golf range franchise.
- Built and optimized multiple conversion funnels through A/B testing and behavioral analytics.
- Increased membership signups by 4× through improved UX flow, clearer CTAs, and landing page experimentation.

Flo Recruit

Product Designer

Feb 2023 - June 2023
(4-month contract)

- Designed the candidate dashboard and onboarding experience for Flo Recruit, the leading legal recruiting platform
- Partnered with PMs to define user flows and high-impact UI improvements that streamlined candidate engagement
- Launched the candidate portal used across top law firms, contributing to $1M in revenue generation
- Collaborated cross-functionally to align design strategy with product growth and customer needs

Evernote

Senior Mobile Product Designer

July 2018 - Feb 2023
(5 years)

- Led design for iOS and Android apps serving 8M+ active users
- Spearheaded a full mobile and tablet redesign that improved retention and daily active use
- Partnered with research and analytics teams to validate design hypotheses through user testing and data insights
- Built and scaled Evernote's mobile design system, accelerating design-to-dev handoff and consistency across platforms
- Facilitated weekly design reviews, sprint planning, and mentorship for junior designers
- Managed and coached a design intern, fostering growth and alignment with team processes

eBay

Product Designer

Sep 2016 - July 2018
(2 years)

- Designed internal web tools and eBay's first internal mobile app for 10K+ employees.
- Contributed to a redesign that was recognized in Nielsen Norman Group's "Top-10 Intranets."
- Collaborated with engineers to streamline workflows and improve UX consistency.

Mperpetuo

Interaction Designer

Nov 2015 - Sept 2016
(1 year)

- Designed the touchscreen interface and user experience for a smart professional camera
- Created intuitive interaction patterns for on-device controls and real-time photo feedback
- Collaborated with engineers to ensure smooth translation from design to embedded implementation
